

THE
cholangiocarcinoma
FOUNDATION®

Mission

Our mission is to find a cure and improve the quality of life for those affected by cholangiocarcinoma (bile duct cancer).

Faces of Cholangiocarcinoma – “Best Mommy Ever!”

This is a photo of Austin who is 2 years old and his mom Sarah, an amazing young woman who has been a hero to many, since being diagnosed with cholangiocarcinoma in July 2014.

International Cholangiocarcinoma Research Network (ICRN)

A global collaboration of research groups from renowned institutions that are working in concert to improve knowledge about cholangiocarcinoma etiology, prevention, early detection, treatment and prognosis

Facilitates multi-center basic, translational, and clinical research to ensure rapid translation from bench to bedside.

INTERNATIONAL
CHOLANGIOCARCINOMA
RESEARCH
NETWORK

International Cholangiocarcinoma Patient Registry (ICPR)

Only registry of patient health information related solely to cholangiocarcinoma

Accelerates research for early detection, diagnosis, new treatments and ultimately a cure for cholangiocarcinoma.
