About The Cholangiocarcinoma Foundation:

The mission of The Cholangiocarcinoma Foundation (CCF) is to find a cure and improve the quality of life for those affected by bile duct cancer.

About the Conference:

CCF's annual conference is where interested individuals come together to learn more about the latest advances in bile duct cancer research, treatment and care. More than 300 attendees will network with each other and gather the most up-to-date information through our exceptional educational programming, including: treatment updates, symptom management tips, research updates and much more.

2017 Highlights:

- Nearly **300** attendees from **26** states and **16** countries representing healthcare, industry, patient advocacy organizations, patients, caregivers, academia and supporters
- **89** physicians/researchers
- **76** institutions
- **128** patients/caregivers
- **25** PCORI scholarship awardees from US, Australia and Malaysia
- **41** speakers
- **38** poster presenters
- **230** webcast attendees
- **23** supporters: ASLAN Pharmaceuticals, Agios, ArQule, Boston Scientific, Bristol-Myers Squibb, Celgene Corporation, CellAct, doTERRA, Halozyme, Ignyta, Incyte, Leap Therapeutics, Lilly Oncology, Merck, NIH, Nucana, PCI Biotech, PCORI, Promotion in Motion, RedHill Biopharma, Shire, Sirtex, and University of Utah

Why Sponsor:

The 2018 Conference gives you the opportunity to collaborate with experts advancing cholangiocarcinoma research, treatment and care. Multiple levels of sponsorship are available, and each opportunity includes customization to meet diverse marketing needs. Benefits may include patient engagement experiences, exhibit tables, complimentary registrations and exposure to our 10,300 Facebook followers, 11,600 email subscribers, and 290,000 annual website visitors.
