

HOST A FUNDRAISING EVENT

Hosting an event is a great way to raise crucial funds for the Cholangiocarcinoma Foundation (CCF) while doing something you enjoy and getting involved with your community.

Any individual, group, or organization can host an event in their community that benefits CCF.

These events can be as simple as a lemonade stand, or as big as a benefit concert. The sky is truly the limit. See how you can host an event today.

STEP 1: START WITH AN IDEA

Think about what brings you joy and how you can share it with others! Create the type of fundraiser that's right for you! Click here for a list of event ideas.

STEP 2: CONNECT WITH CCF

Reach out to CCF's Peer-to-Peer & Third-Party Fundraising Specialist at candace.tise@cholangiocarcinoma.org to receive a fundraising toolkit and other helpful resources.

STEP 3: SPREAD THE WORD

Share your event on social media and other community resources. Don't forget to tag the Cholangiocarcinoma Foundation.

STEP 4: HAVE A GREAT TIME AT YOUR EVENT!

This is the day you have been waiting for! Enjoy the day and celebrate in the impact your hard work is making (don't forget to take pictures).

STEP 5: CELEBRATE YOUR SUCCESS!

Send in photos and testimonials from your event to CCF and share your success on your website and social media accounts.

STEP 6: START PLANNING FOR NEXT YEAR

Consider making your event annual and set the date for your next fundraiser!
